MISSION STATEMENT

CSM Security Consultants Ltd mission is to provide a top quality, professional service in the field of Security,

Facilities and Risk Management.

We at CSM aim to be recognised within the Security industry as a benchmark for all others to aspire to both locally and nationally.

CSM Security Consultants Ltd accepts and recognises that our staff are our primary resource and collectively we are committed to delivering a first class service to our clients.

CSM Security Consultants Ltd is committed to promoting a positive and safe working environment for our employees based on a mutual respect; encouraging and facilitating a sustainable balance between both personal and career development, teamwork and enterprise amongst all of our employees. CSM Security Consultants Ltd will actively discourage any form of discrimination based on creed, colour, religion, gender or physical limitations etc. insisting that appointments and promotions are based purely on capability and suitability for the relevant position without exception.

CSM Aims to grow Year on year in The ACS scoring systems and achieve further Key holding and guarding contracts.
